

6-14S Dual Channels LiPo/LiHV Battery Charger for UAV Drone

Our Product Introduction

Basic Information

- Place of Origin: Guangdong, China
- Brand Name: GS
- Model Number: UP1800-14
- Price: Negotiable

UP1800-14S
6-14S/1800W/28A
双通道大功率植保机充电器

Product Specification

- Input Voltage: AC 110V-220V
- Discharge Power: 140W (70Wx2)
- Battery Type: LiPo/LiHV
- Charge Current: 10A/15A/20A/25A/28A
- Balance Current: Max.1.5A/cell
- Battery Cell Count: 6-14S
- Charging Mode: Balance Charging Mode/Storage
- Working Temperature: 0-40°C
- Storage Temperature: -20-60°C
- Dimensions: 265x200x175mm
- Weight: 4.5KG
- Highlight: RC LiPo Battery Charger 100W,
RC LiPo Battery Charger 10A,
rc lipo charger Dual Output Channels

Product Description

6-14S Dual Channels LiPo/LiHV Battery Charger for UAV Drone

With independent power supply, providing a stable charging status, Max. Current: 28A

Balance Charging Mode: After choosing a CORRECT battery type, charger will charge two pieces of batteries simultaneously, and stop charging automatically when fully charged. Storage Mode: Charger will charge/discharge your batteries to a storage voltage.

Make sure the selected battery type is the same with your battery type

Choosing correct charging current: 10A/15A/20A/25A/28A press the "Start/Stop" button to start charging.

The Max. balance current of UP1800-14S is 1.5A/cell. It will monitor the battery voltage of each cell and balance the battery cell voltage to keep a balancing charging so as to extend the life of battery.

Our Services

1. We provide 1 Year Warranty. Buy with confidence.
2. If you are not satisfied when you receive your item, please return it within 14 days for a replacement or money back. Please contact me before you return it.
3. If item is defective in 3 months, We will send you a replacement without extra charger, or offer refund after we receive the defective item.
4. If item is defective after 3 months, you can still send it back to us. We will send you a new one after receiving the defective item. But you have to pay the extra shipping fee.

FAQ

Q1: Do you support OEM/ODM?

A1: Yes. We can print your logo on the product.

Q2: About samples.

A2: Under normal circumstances, samples will be ready within 7 days, and 10-20 days for OEM/ODM orders. Sample fee and shipping will be charged.

Q3: What is the delivery time?

A3: For regular orders, we can ship within 15 days, for OEM/ODM, we can ship within 25-45 days (depending on the quantity). In the event of delays, we will notify you in advance of the status and resolution.

Q4: What is the minimum order quantity?

A4: There is no MOQ for wholesale (1 piece accepted), including OEM/ODM.

Q5: What are your payment terms?

A5: L/C.TT100%.

Q6: Can you reduce the shipping cost?

A6: When calculating the shipping cost for you, we always choose the cheapest and safest express. Although we have partnerships with shipping companies, we can't keep costs down because it's not us who get paid. If you think it's expensive for you. You can always make your own choice.

Q7: Return policy.

A7: If you want to replace the received item, you must contact us within 7 days after receiving the item. Returned items should be in their original condition and you should pay for additional shipping.
