## Product Description

### Universal joint zoom camera

The Universal Joint Zoom Camera A10 Pro is a multifunctional camera that features a universal joint, allowing the camera to adjust flexibly in different angles and directions. In addition, it also has a zoom function, which can adjust the focal length to achieve different shooting effects, covering from wide-angle to telephoto. This camera is usually suitable for shooting scenes that require flexibility and diversity.

The Drone Universal Joint Camera is a versatile and powerful tool that elevates the capabilities of any drone. By combining high-quality imaging with advanced stabilization and intelligent features, it sets a new standard for aerial photography and videography.

## FAQ

Q1: Do you support OEM/ODM?

A1: Yes. We can print your logo on the product.

Q2: About samples.

A2: Under normal circumstances, samples will be ready within 7 days, and 10-20 days for OEM/ODM orders. Sample fee and shipping will be charged.

Q3: What is the delivery time?

A3: For regular orders, we can ship within 15 days, for OEM/ODM, we can ship within 25-45 days (depending on the quantity). In the event of delays, we will notify you in advance of the status and resolution.

Q4: What is the minimum order quantity?

A4: There is no MOQ for wholesale (1 piece accepted), including OEM/ODM.

Q5: What are your payment terms?

A5: L/C.TT100%.

Q6: Can you reduce the shipping cost?

A6: When calculating the shipping cost for you, we always choose the cheapest and safest express. Although we have partnerships with shipping companies, we can't keep costs down because it's not us who get paid. If you think it's expensive for you. You can always make your own choice.

Q7: Return policy.

A7: If you want to replace the received item, you must contact us within 7 days after receiving the item. Returned items should be in their original condition and you should pay for additional shipping.
