

20x Optical Zoom 4K EO+1280*1024 IR Dual-sensor Object Tracking Gimbal Camera

Our Product Introduction

for more products please visit us on uav-vtoldrone.com

Basic Information

- Brand Name: GS
- Model Number: Q20KTIR Pro
- Minimum Order Quantity: 1
- Price: negotiable
- Packaging Details: 139*160.2*218.6mm
- Delivery Time: 6-8
- Payment Terms: T/T
- Supply Ability: 100

Product Specification

- Imager Sensor: 1/2.5" SONY CMOS
- Lens: 20x Optical Zoom, F=4.4~88.4mm
- Total Pixel: 8.51MP
- Thermal Imager: 1280*1024, 35mm Lens, 12μm
- Object Tracking: √
- Working Voltage: 4S~6S
- Output: 1080p HDMI / IP
- Control Method: PWM / PPM / UART / S.BUS / TCP / UDP
- Local Storage: SD Card Up To 128G
- N.W: 1692g
- Dimension: 139*160.2*218.6mm
- Highlight: **1080p mini gimbal camera,**
1080p tracking gimbal camera

Product Description

20x Optical Zoom 4K EO+1280*1024 IR Dual-sensor Object Tracking Gimbal Camera

A 20x optical zoom 4K EO + 1280x1024 IR dual-sensor object tracking gimbal camera is a state-of-the-art imaging system designed to provide high-resolution visual and thermal data for a variety of applications. Combining an electro-optical sensor capable of ultra-high-definition imaging with a high-resolution infrared thermal sensor, this system allows for detailed observation, precise tracking, and comprehensive monitoring in diverse conditions.

20x Optical Zoom 4K Electro-Optical (EO) Sensor:

Resolution: Up to 4K (3840 x 2160 pixels) for ultra-high-definition imaging.

Optical Zoom: 20x optical zoom provides detailed observation of distant objects without loss of image quality.

Function: Captures sharp, clear images and videos, enabling detailed analysis and long-range surveillance.

Infrared (IR) Thermal Sensor:

Resolution: 1280 x 1024 pixels for high-definition thermal imaging.

Function: Detects infrared radiation (heat signatures) emitted by objects, providing visibility in complete darkness and through obscurants.

Benefits: Enables thermal imaging for detecting heat variations and anomalies, crucial for applications like search and rescue, and industrial inspections.

Our Services

1. We provide 1 Year Warranty. Buy with confidence.
2. If you are not satisfied when you receive your item, please return it within 14 days for a replacement or money back. Please contact me before you return it.
3. If item is defective in 3 months, We will send you a replacement without extra charger, or offer refund after we receive the defective item.
4. If item is defective after 3 months, you can still send it back to us. We will send you a new one after receiving the defective item. But you have to pay the extra shipping fee.

Packing & Delivery

Our products are deeply loved by foreign users

Foreign customers visit our factory and love our craftsmanship

Our products have participated in well-known exhibitions for many times

FAQ

Q1: Do you support OEM/ODM?

A1: Yes. We can print your logo on the product.

Q2: About samples.

A2: Under normal circumstances, samples will be ready within 7 days, and 10-20 days for OEM/ODM orders. Sample fee and shipping will be charged.

Q3: What is the delivery time?

A3: For regular orders, we can ship within 15 days, for OEM/ODM, we can ship within 25-45 days (depending on the quantity). In the event of delays, we will notify you in advance of the status and resolution.

Q4: What is the minimum order quantity?

A4: There is no MOQ for wholesale (1 piece accepted), including OEM/ODM.

Q5: What are your payment terms?

A5: L/C.TT100%.

Q6: Can you reduce the shipping cost?

A6: When calculating the shipping cost for you, we always choose the cheapest and safest express. Although we have partnerships with shipping companies, we can't keep costs down because it's not us who get paid. If you think it's expensive for you. You can always make your own choice.

Q7: Return policy.

A7: If you want to replace the received item, you must contact us within 7 days after receiving the item. Returned items should be in their original condition and you should pay for additional shipping.
