

BAIHU VTOL UAV Drone Tandem Wing Take Off Weight 90kg Payload 25kg

Our Product Introduction

for more products please visit us on uav-vtoldrone.com

Basic Information

- Brand Name: GS
- Minimum Order Quantity: 1
- Price: Negotiable
- Delivery Time: 6~8
- Payment Terms: T/T
- Supply Ability: 500

Product Specification

- Length: 2566 Mm(without Engine)2900 Mm(With Engine)
- Height: 930 Mm
- Wingspan: Front 3523mm, Rear 5100mm
- Engine: 110 Cc-170 Cc Petrol (gasoline) Piston Engine
- Payload: 25 Kg
- Take-off Weight: 90kg
- Level Cruising Speed: 35 M/s
- Endurance: 8 H(20 Kg Payload)
- Climb Rate: 4 M/s (lxed Wing)
- Altitude: 5000 M
- Temperature: -20°C-50°C
- Wind Resistance: Takeoff And Landing Level 5; Cruising Level 6
- Highlight: BAIHU VTOL UAV Drone, BAIHU fixed wing vtol,

Product Description

BAIHU VTOL tandem wing Take-off weight 90kg

Application: Baihu is a kind of tail thrust tandem wing VTOL drone. The fuselage is made of carbon fiber composite material, which is of high strength and light weight. Baihu has the advantages in large scale surveying and mapping tasks with heavy and precise instruments;

Design method: Combine aerodynamics and aesthetics with the structure of sweep forward & positive-dihedral front wings and arc dihedral rear wings. Baihu adopts a lifting blended-wing-body structure. There is no surplus piece to generate unnecessary aero-dynamic resistance;

Advantages: There is a large cabin for varieties of payload. The maximum payload weight can reach 25kg. There are brackets in the fuselage, which is convenient for equipment installation. The modular power system design making the tail power cabin can be equipped with engine or motor. Baihu's taking off weight is 85kg, however, it takes less than 10 minutes to assemble the drone because of the plug-in structure between the fuselage and the wings.

Outdoor experimental display

Our Services

1. We provide 1 Year Warranty. Buy with confidence.
2. If you are not satisfied when you receive your item, please return it within 14 days for a replacement or money back. Please contact me before you return it.
3. If item is defective in 3 months, We will send you a replacement without extra charger, or offer refund after we receive the defective item.
4. If item is defective after 3 months, you can still send it back to us. We will send you a new one after receiving the defective item. But you have to pay the extra shipping fee.

FAQ

Q1: Do you support OEM/ODM?

A1: Yes. We can print your logo on the product.

Q2: About samples.

A2: Under normal circumstances, samples will be ready within 7 days, and 10-20 days for OEM/ODM orders. Sample fee and shipping will be charged.

Q3: What is the delivery time?

A3: For regular orders, we can ship within 15 days, for OEM/ODM, we can ship within 25-45 days (depending on the quantity). In the event of delays, we will notify you in advance of the status and resolution.

Q4: What is the minimum order quantity?

A4: There is no MOQ for wholesale (1 piece accepted), including OEM/ODM.

Q5: What are your payment terms?

A5: L/C.TT100%.

Q6: Can you reduce the shipping cost?

A6: When calculating the shipping cost for you, we always choose the cheapest and safest express. Although we have partnerships with shipping companies, we can't keep costs down because it's not us who get paid. If you think it's expensive for you. You can always make your own choice.

Q7: Return policy.

A7: If you want to replace the received item, you must contact us within 7 days after receiving the item. Returned items should be in their original condition and you should pay for additional shipping.
