

6S/12S Tethered UAV Systems 2500W Onboard Module High Power Durable

Our Product Introduction

for more products please visit us on uav-vtoldrone.com

Basic Information

- Brand Name: GS
- Minimum Order Quantity: 1
- Price: Negotiable
- Delivery Time: 6~8
- Payment Terms: T/T
- Supply Ability: 100

Product Specification

- External Dimensions: 188×100×32mm
- Shell Material: Aviation Aluminum Alloy
- Weight: 532g
- Rated Power: 1.5kw / 2.5kw
- Load Interface Type: XT60
- Load Interface Output Voltage: 24V/48V
- Battery Input Interface Type BAT IN : XT90
- Battery Input Interface Voltage: 24V/48V
- Battery Output Interface Type BAT OUT : XT90
- Battery Output Interface Voltage: 24V/48V
- Working Temp.: -20°C To 60°C
- Highlight: Tethered UAV systems 2500W

Product Description

6S/12S Tethered UAV system 2500W onboard module

A 6S/12S Tethered UAV system with a 2500W onboard module represents a high-power, tethered drone system designed for extended operations without reliance on onboard battery life.

Tethered System: A setup where the UAV is physically connected to a ground station via a power and data tether, enabling extended flight times and secure data transmission.

6S/12S Configuration: Refers to the voltage configuration of the power supply system:

6S: 6 cells in series, typically providing 22.2V nominal voltage.

12S: 12 cells in series, typically providing 44.4V nominal voltage.

2500W Onboard Module: Indicates the power capacity of the onboard system, providing 2500 watts for the UAV's operation.

With overcurrent protection, overvoltage protection, short circuit protection, overtemperature protection functions; no need to change the flight battery, plug and play;

When the tethered power supply is abnormally interrupted, it can automatically switch to the drone battery;

Our Services

1. We provide 1 Year Warranty. Buy with confidence.
2. If you are not satisfied when you receive your item, please return it within 14 days for a replacement or money back. Please

- contact me before you return it.
3. If item is defective in 3 months, We will send you a replacement without extra charger, or offer refund after we receive the defective item.
4. If item is defective after 3 months, you can still send it back to us. We will send you a new one after receiving the defective item. But you have to pay the extra shipping fee.

FAQ

Q1: Do you support OEM/ODM?

A1: Yes. We can print your logo on the product.

Q2: About samples.

A2: Under normal circumstances, samples will be ready within 7 days, and 10-20 days for OEM/ODM orders. Sample fee and shipping will be charged.

Q3: What is the delivery time?

A3: For regular orders, we can ship within 15 days, for OEM/ODM, we can ship within 25-45 days (depending on the quantity). In the event of delays, we will notify you in advance of the status and resolution.

Q4: What is the minimum order quantity?

A4: There is no MOQ for wholesale (1 piece accepted), including OEM/ODM.

Q5: What are your payment terms?

A5: L/C.TT100%.

Q6: Can you reduce the shipping cost?

A6: When calculating the shipping cost for you, we always choose the cheapest and safest express. Although we have partnerships with shipping companies, we can't keep costs down because it's not us who get paid. If you think it's expensive for you. You can always make your own choice.

Q7: Return policy.

A7: If you want to replace the received item, you must contact us within 7 days after receiving the item. Returned items should be in their original condition and you should pay for additional shipping.
