Product Description

Royal 2 mooring box Tethered UAV system

Mooring Box:

Purpose: Designed to securely anchor and support the tethered UAV system. Construction: Typically robust and weather-resistant, ensuring durability in various environmental conditions. **Mounting**: Provides a stable platform for attaching and managing the tether cable.

Tether Cable: Power Transmission: Conducts electrical power from the ground station to the UAV. Data Communication: Facilitates secure data transfer between the UAV and the ground station.

Durability: Designed to withstand physical stress and environmental elements.

Ground Station:

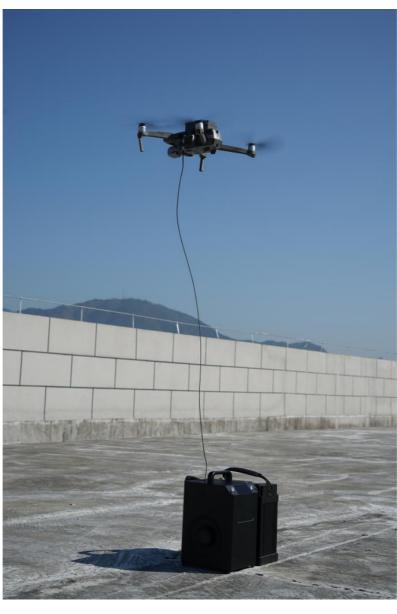

Power Supply: Provides continuous power to the UAV via the tether. Control Interface: Allows operators to pilot the UAV and monitor its systems.

Safety Features: Includes mechanisms for emergency power cut-off and tether management.

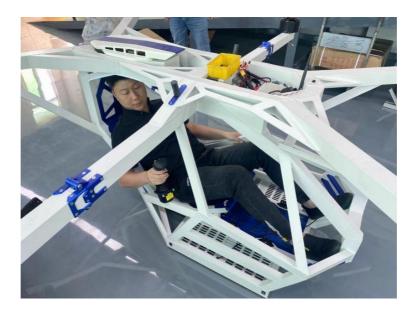

Ground tethered station parameters:		
Product size	260 X 230 X 148 mm	
Product weight	4kg	
Rated power	500W	
Cable length	60m	
Wire collection method	manual + automatic	
Working temperature	-20°C~+50°C	
Input interface	supports 12S, 6S batteries and 220V AC input	

Airborne module parameters:		
Airborne size	109 X 92 X 58 mm	
Airborne weight	179g	
Rated power	500W	
Heat dissipation method	left and right heat sinks, no fan	
Flight altitud	60m	

The complete set includes: Ground tethered station × 1 Airborne module × 1 220V Power adapter × 1
Security briefcase × 1 (size: 57cmx35cmx18.5cm)

Our Services

- Ne provide 1 Year Warranty. Buy with confidence.

 If you are not satisfied when you receive your item, please return it within 14 days for a replacement or money back. Please contact me before you return it.
- 3. If item is defective in 3 months, We will send you a replacement without extra charger, or offer refund after we receive the defective item.
- 4. If item is defective after 3 months, you can still send it back to us. We will send you a new one after receiving the defective item. But you have to pay the extra shipping fee.

FAQ

Q1: Do you support OEM/ODM? A1: Yes. We can print your logo on the product.

Q2: About samples.

A2: Under normal circumstances, samples will be ready within 7 days, and 10-20 days for OEM/ODM orders. Sample fee and shipping will be charged.

Q3: What is the delivery time?

A3: For regular orders, we can ship within 15 days, for OEM/ODM, we can ship within 25-45 days (depending on the quantity). In the event of delays, we will notify you in advance of the status and resolution.

Q4: What is the minimum order quantity?

A4: There is no MOQ for wholesale (1 piece accepted), including OEM/ODM.

Q5: What are your payment terms? A5: L/C.TT100%.

Q6: Can you reduce the shipping cost?

A6: When calculating the shipping cost for you, we always choose the cheapest and safest express. Although we have partnerships with shipping companies, we can't keep costs down because it's not us who get paid. If you think it's expensive for you. You can always make your own choice.

Q7: Return policy.

A7: If you want to replace the received item, you must contact us within 7 days after receiving the item. Returned items should be in their original condition and you should pay for additional shipping.
