

22.1 x 7.4 Inch FLUXER Vertical takeoff and landing drone propellers

Basic Information

- Brand Name: GS
- Model Number: 2 holes 22.1 x 7.4
- Minimum Order Quantity: 1
- Price: Negotiable
- Delivery Time: 6~8
- Payment Terms: T/T
- Supply Ability: 100

Product Specification

- Highlight: 22.1 Inch drone propellers,
7.4 Inch drone propellers,
Vertical takeoff and landing drone propellers

22.1 x 7.4 Inch FLUXER Vertical takeoff and landing drone propellers

Propeller Specifications:

Size:

Diameter: 22.1 inches

Pitch: 7.4 inches

Material: These propellers are often made from materials like carbon fiber for high strength and low weight, reinforced plastic, or composite materials.

Design and Functionality:

Vertical Takeoff and Landing (VTOL):

Thrust: The larger diameter and higher pitch provide substantial thrust, which is critical for vertical takeoff and landing operations.

Efficiency: Designed to optimize lift during vertical ascent and descent, ensuring maximum efficiency.

Horizontal Flight:

Aerodynamics: Ensures efficient forward propulsion and maintains stability during flight.

Transition: Facilitates smooth transition from vertical to horizontal flight, minimizing energy loss and ensuring stable flight dynamics.

Performance Considerations:

Balance: Proper balancing is crucial to minimize vibrations, enhancing flight stability and efficiency.

Durability: Constructed from high-quality materials to withstand the stresses of VTOL operations and various environmental conditions.

Maintenance Tips:

Inspection: Regularly inspect for any signs of damage, such as cracks, chips, or wear.

Cleaning: Keep propellers clean from debris and dust to maintain aerodynamic efficiency.

Replacement: Replace any damaged or unbalanced propellers immediately to ensure safe and reliable operation.

BASIC PARAMETER

Size	561.34mmX187.96mm	Single Weight	48 g
Material	High quality carbon fiber+Resin	Surface Treatment	Polished/matt
Working Temp	-40℃-65℃	Storage Temp	-10℃-50℃
Storage Humidity	<85%	Optimum RPM	3400-4800 RPM/min
Single Thrust Limitation	13 kg	Package	Color box
Other Accessories	2X 3*18 Mounting screws , 2X Cover Plate		

Our Services

1. We provide 1 Year Warranty. Buy with confidence.
2. If you are not satisfied when you receive your item, please return it within 14 days for a replacement or money back. Please contact me before you return it.
3. If item is defective in 3 months, We will send you a replacement without extra charger, or offer refund after we receive the defective item.
4. If item is defective after 3 months, you can still send it back to us. We will send you a new one after receiving the defective item. But you have to pay the extra shipping fee.

FAQ

Q1: Do you support OEM/ODM?

A1: Yes. We can print your logo on the product.

Q2: About samples.

A2: Under normal circumstances, samples will be ready within 7 days, and 10-20 days for OEM/ODM orders. Sample fee and shipping will be charged.

Q3: What is the delivery time?

A3: For regular orders, we can ship within 15 days, for OEM/ODM, we can ship within 25-45 days (depending on the quantity). In the event of delays, we will notify you in advance of the status and resolution.

Q4: What is the minimum order quantity?

A4: There is no MOQ for wholesale (1 piece accepted), including OEM/ODM.

Q5: What are your payment terms?

A5: L/C.TT100%.

Q6: Can you reduce the shipping cost?

A6: When calculating the shipping cost for you, we always choose the cheapest and safest express. Although we have partnerships with shipping companies, we can't keep costs down because it's not us who get paid. If you think it's expensive for you. You can always make your own choice.

Q7: Return policy.

A7: If you want to replace the received item, you must contact us within 7 days after receiving the item. Returned items should be in their original condition and you should pay for additional shipping.
