U1 Dual Channel Smart Fast Charger 1200W/25A Drone Battery Charger

Our Product Introduction

Basic Information

- Place of Origin: Guangdong, China
- Brand Name: GS
- Model Number: U1
- Price: Negotiable
- Delivery Time: 6-8
- Payment Terms: T/T
- Supply Ability: 100

Product Specification

- Model: U1+(14S)
- AC Input Voltage: 100-240V
- Charge Power: 1200W
- Charge Current: Max.25A
- Discharge Power: Max.50W
- Battery Type: LiPo/LiHV/Smart Battery
- Battery Cell Count: 6S-14S
- Dimension: 287x145x139mm
- Weight: 3.5kg
- Highlight: **25A Drone Battery Charger**,
                          1200W Drone Battery Charger,
                          Smart Fast Drone Battery Charger

U1 Dual Channel Smart Fast Charger1200W/25A Drone Battery Charger

Dual channel charging:
The charger has two channels and can charge two batteries at the same time. This feature increases charging efficiency and reduces downtime between flights.

High power output:
The charger has a power of 1200W and a maximum output current of 25A, which can quickly charge large-capacity drone batteries. It is ideal for high-performance drones using large lithium polymer or lithium-ion batteries.

Smart charging:
The charger may have smart charging capabilities, including the ability to detect battery type, monitor charging levels, and optimize charging to prevent overcharging or overheating.

Some smart chargers have features such as a balancing function to ensure that all batteries in a lithium polymer battery are charged evenly, thus extending battery life and improving performance.

Specifications

Model	U1+(14S)
AC input voltage	100-240V
Charge power	1200W
Charge current	Max.25A
Discharge power	Max.50W
Battery type	LiPo/LiHV/Smart Battery
Battery cell count	6S-14S
Dimension	287x145x139mm
Weight	3.5kg

Our Services

1. We provide 1 Year Warranty. Buy with confidence.
2. If you are not satisfied when you receive your item, please return it within 14 days for a replacement or money back. Please contact me before you return it.
3. If item is defective in 3 months, We will send you a replacement without extra charger, or offer refund after we receive the defective item.
4. If item is defective after 3 months, you can still send it back to us. We will send you a new one after receiving the defective item. But you have to pay the extra shipping fee.

FAQ

Q1: Do you support OEM/ODM?
A1: Yes. We can print your logo on the product.
Q2: About samples.
A2: Under normal circumstances, samples will be ready within 7 days, and 10-20 days for OEM/ODM orders. Sample fee and shipping will be charged.
Q3: What is the delivery time?
A3: For regular orders, we can ship within 15 days, for OEM/ODM, we can ship within 25-45 days (depending on the quantity). In the event of delays, we will notify you in advance of the status and resolution.
Q4: What is the minimum order quantity?
A4: There is no MOQ for wholesale (1 piece accepted), including OEM/ODM.
Q5: What are your payment terms?
A5: L/C.TT100%.
Q6: Can you reduce the shipping cost?
A6: When calculating the shipping cost for you, we always choose the cheapest and safest express. Although we have partnerships with shipping companies, we can't keep costs down because it's not us who get paid. If you think it's expensive for you. You can always make your own choice.
Q7: Return policy.
A7: If you want to replace the received item, you must contact us within 7 days after receiving the item. Returned items should be in their original condition and you should pay for additional shipping.
