

## Designed for a weight of $28\pm 0.5$ kg tethered drone power station

### Our Product Introduction

#### Basic Information

- Place of Origin: Made in China
- Brand Name: GS
- Model Number: AF-G7-100M
- Minimum Order Quantity: 1
- Price: Negotiable
- Delivery Time: 6-8
- Payment Terms: T/T
- Supply Ability: 100

#### Product Specification

- Size: 500\*300\*350mm(length \* Width \* Height)
- Weight:  $28\pm 0.5$ kg
- Power: 7kw Max
- Input: 220vac
- Output: 750Vdc(default Factory Output Voltage)
- Line Length: 100m 10A
- Highlight: uav accessories Tethered Power Supply,  
UAV Tethered Power Supply,  
Multiple UAV Platforms Tethered Power Supply

Designed for a weight of 28±0.5 kg tethered drone power station

Accuracy weight compatibility

Designed for drones in the 28±0.5 kg weight range, ensuring optimal power delivery and stability.

High-performance components

Use efficient power conversion modules to minimize energy loss and maximize performance.

Equipped with high-strength tether cables, lightweight and durable, ensuring minimal impact on drone maneuverability.

Easy to deploy and carry

Compact and lightweight design for easy transportation and quick installation on site.

Compatible with generators or 220V mains to provide flexible power supply.

Usage scenario

It is equipped with industrial 5-10kg medium-sized aircraft for lighting and relay emergency scenarios, and it is recommended that the net load of the tewed UAV be 100m10kg and 200m5kg.

## FAQ

Q1: Do you support OEM/ODM?

A1: Yes. We can print your logo on the product.

Q2: About samples.

A2: Under normal circumstances, samples will be ready within 7 days, and 10-20 days for OEM/ODM orders. Sample fee and shipping will be charged.

Q3: What is the delivery time?

A3: For regular orders, we can ship within 15 days, for OEM/ODM, we can ship within 25-45 days (depending on the quantity). In the event of delays, we will notify you in advance of the status and resolution.

Q4: What is the minimum order quantity?

A4: There is no MOQ for wholesale (1 piece accepted), including OEM/ODM.

Q5: What are your payment terms?

A5: L/C.TT100%.

Q6: Can you reduce the shipping cost?

A6: When calculating the shipping cost for you, we always choose the cheapest and safest express. Although we have partnerships with shipping companies, we can't keep costs down because it's not us who get paid. If you think it's expensive for you. You can always make your own choice.

Q7: Return policy.

A7: If you want to replace the received item, you must contact us within 7 days after receiving the item. Returned items should be in their original condition and you should pay for additional shipping.
