

## Tethered drone power station Used for communications operators military relay

### Our Product Introduction

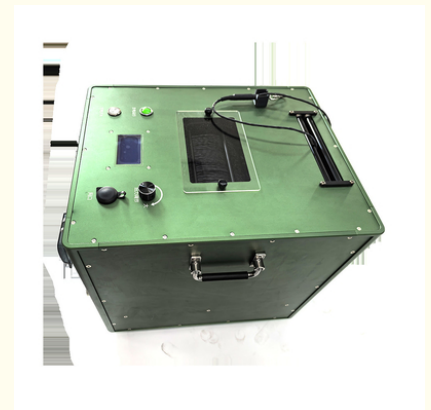

#### Basic Information

- Place of Origin: Made in China
- Brand Name: GS
- Model Number: AF-G30-100M
- Minimum Order Quantity: 1
- Price: Negotiable
- Delivery Time: 6-8
- Payment Terms: T/T
- Supply Ability: 100

#### Product Specification

- Size: 500mm\*480mm\*460mm(length, Width And Height)
- Weight: 46±0.5kg
- Power: 30kw Max
- Input: 380vac (3-phase 4-wire Swing)
- Output: 1000Vdc Voltage Is Not Adjustable
- Line Length: 120m 25A (interchangeable Cable)
- Note: Line Length And Fiber Can Be Customized, Output 750v+ Compensation Can Be Customized
- Highlight: **uav accessories Tethered Power Supply, UAV Tethered Power Supply, Multiple UAV Platforms Tethered Power Supply**

**Tethered drone power station Used for communications operators military relay**

The Tethered Drone Power Station is a cutting-edge solution designed to meet the demanding needs of communications operators and military relay applications. By providing a continuous and reliable power supply, this system enables drones to operate for extended periods, ensuring uninterrupted communication and mission success in critical scenarios.

Usage scenario
It is equipped with industrial 20-30kg large aircraft for large-scale emergency scenarios such as communication operators' military relay, fire spraying, etc. It is recommended that the net payload of the tewed UAV be 100m30kg, 200m15kg, 300m10kg specifications.

## FAQ

Q1: Do you support OEM/ODM?

A1: Yes. We can print your logo on the product.

Q2: About samples.

A2: Under normal circumstances, samples will be ready within 7 days, and 10-20 days for OEM/ODM orders. Sample fee and shipping will be charged.

Q3: What is the delivery time?

A3: For regular orders, we can ship within 15 days, for OEM/ODM, we can ship within 25-45 days (depending on the quantity). In the event of delays, we will notify you in advance of the status and resolution.

Q4: What is the minimum order quantity?

A4: There is no MOQ for wholesale (1 piece accepted), including OEM/ODM.

Q5: What are your payment terms?

A5: L/C.TT100%.

Q6: Can you reduce the shipping cost?

A6: When calculating the shipping cost for you, we always choose the cheapest and safest express. Although we have partnerships with shipping companies, we can't keep costs down because it's not us who get paid. If you think it's expensive for you. You can always make your own choice.

Q7: Return policy.

A7: If you want to replace the received item, you must contact us within 7 days after receiving the item. Returned items should be in their original condition and you should pay for additional shipping.
