

Best Aircraft Power Supply Manufacturers Drone Power Supply

Our Product Introduction

for more products please visit us on uav-vtoldrone.com

Basic Information

- Place of Origin: Made in China
- Brand Name: GS
- Model Number: WF-800S50-4K
- Minimum Order Quantity: 1
- Price: Negotiable
- Delivery Time: 6-8
- Payment Terms: T/T
- Supply Ability: 100

Product Specification

- Size: 197*95*75mm
- Input Voltage: 680-800V
- Output Voltage: 50V/80A
- Input Terminal: Shake The Cable
- Output Terminal: Shake The Cable
- Weight: 1000g

Product Description

Best Aircraft Power Supply Manufacturers Drone Power Supply

Application occasions

This HVDC power supply is a special customized power supply, with small size, light weight, high efficiency, built-in fan cooling and other advantages, the maximum working efficiency $\geq 97\%$, the power module adopts aluminum shell design, light and beautiful, waterproof design, can be used as a substitute for imported HVDC power module.

Product features

Dc-dc isolated power converter: The input 800V DC isolated into 50V DC, the total output power of 4000W.

High power density, small size, light weight and so on.

The design meets the reliability requirements of power supply: the input has over/under voltage protection, and the output has over voltage protection, current limiting, short circuit and over temperature protection

Our Services

1. We provide 1 Year Warranty. Buy with confidence.
2. If you are not satisfied when you receive your item, please return it within 14 days for a replacement or money back. Please contact me before you return it.
3. If item is defective in 3 months, We will send you a replacement without extra charger, or offer refund after we receive the defective item.
4. If item is defective after 3 months, you can still send it back to us. We will send you a new one after receiving the defective

item. But you have to pay the extra shipping fee.

FAQ

Q1: Do you support OEM/ODM?

A1: Yes. We can print your logo on the product.

Q2: About samples.

A2: Under normal circumstances, samples will be ready within 7 days, and 10-20 days for OEM/ODM orders. Sample fee and shipping will be charged.

Q3: What is the delivery time?

A3: For regular orders, we can ship within 15 days, for OEM/ODM, we can ship within 25-45 days (depending on the quantity). In the event of delays, we will notify you in advance of the status and resolution.

Q4: What is the minimum order quantity?

A4: There is no MOQ for wholesale (1 piece accepted), including OEM/ODM.

Q5: What are your payment terms?

A5: L/C.TT100%.

Q6: Can you reduce the shipping cost?

A6: When calculating the shipping cost for you, we always choose the cheapest and safest express. Although we have partnerships with shipping companies, we can't keep costs down because it's not us who get paid. If you think it's expensive for you. You can always make your own choice.

Q7: Return policy.

A7: If you want to replace the received item, you must contact us within 7 days after receiving the item. Returned items should be in their original condition and you should pay for additional shipping.
